Cambridge Realty Capital Companies reports that newly formed Baker Wescott Capital of Springfield, Ohio will represent the products and services of the national healthcare lender in the states of Ohio and Pennsylvania.

Cambridge Chairman Jeffrey A. Baker is a former Divisional President for Arbor Healthcare Co. in Lima, Ohio, and is the former Executive Director of the Ohio Academy of Nursing Homes in Columbus. He is the past president, CEO and founder of Q-Med Concepts/Americare Supply Corp. of Columbus and founded Diabetic Solutions LLC, of Springfield, an ancillary service provider to the healthcare industry and the only supplier downloading patient testing in real time.

"I'm excited about this opportunity to introduce long-term care clients and contacts to one of the premier senior care funding specialists in the country," he said.
