CAMBRIDGE REFINANCES PEORIA, IL APARTMENTS

Cambridge Realty Capital Companies has provided a \$1,918,100 million HUD-insured 223(a)(7) loan to refinance the Lexington Hills Apartments, a 120-unit complex of Section 8 apartments for the elderly in Peoria, Ill. Cambridge Chairman Jeffrey A. Davis said the property includes five multi-unit buildings and is owned by an Illinois limited partnership. The interest rate for the fully amortized, 40-year term loan was not announced.

Privately owned since its founding in 1983 as a real estate investment banker specializing in commercial real estate properties, Cambridge today has three distinctive business units: FHA-insured HUD loans, conventional financing, and investments and acquisitions. The company is one of the nation's leading nursing home, [assisted living](#) and healthcare debt and equity capital providers, with more than 500 closed transactions totaling more than \$4.5 billion since the early 1990's, when the firm began its specialization in providing senior housing capital.

Cambridge has consistently ranked among the country's top five FHA-insured HUD lenders (now HUD LEAN) over the last 15 years and offers an array of conventional lending options, including permanent construction and interim loans on either a floating or variable rate basis. The company's principal investment strategy includes direct property acquisitions and joint ventures, sale/leasebacks, conventional and mezzanine debt financing, and the acquisition of distressed debt.

Cambridge is the creator of *The Signature Experience(TM)*, a four-step process designed to transform the traditional lender/borrower relationship and identify "ideal" capital solutions for worthy projects. The company has a national origination office in Los Angeles, and numerous correspondent and brokerage relationships nationwide.
